ACKNOWLEDGEMENTS

The Florida Department of Environmental Protection, Bureau of Mine Reclamation would like to thank the following for their assistance with the development of the *Peace River Basin Resource Management Plan*:

Ralph Montgomery of Post, Buckley, Schuh & Jernigan, Inc.;

Don Ross of EarthBalance;

Ron Basso and Rand Frahm of the Southwest Florida Water Management District;

Bill Bartnick of the Florida Department of Agriculture and Consumer Services;

Mike Coates and Sam Stone of the Peace River/Manasota Regional Water Supply Authority;

Tom Singleton and Kevin Petrus of the Florida Department of Environmental Protection, Total Maximum Daily Loads Program; and,

All the stakeholders and concerned citizens who attended the *Peace River Cumulative Impact Study* and *Peace River Basin Resource Management Plan* meetings to convey their thoughts and concerns on the current and future health and well-being of this watershed.
